Matthew W. Rehtin
Waste Management of Indiana, Inc.
124 Twin Bridges Road
Danville, IN 46122

Dear Mr. Rehtin:

Re: Approval of Minor Modification to
Solid Waste Facility Permit FP 91-04
Liberty Landfill
White County

Waste Management of Indiana, Inc. is hereby granted a minor modification to solid waste facility permit FP 91-04, pursuant to IC 13-15-1-3, IC 13-15-7-1, 329 IAC 10-11-6, and 329 IAC 10-13-6. This minor modification is approved in accordance with the minor permit modification application submitted to the Indiana Department of Environmental Management (IDEM) on August 21, 2008, and all subsequent amendments and addenda to the application.

This minor permit modification allows Waste Management of Indiana, Inc. to expand the permitted solid waste boundary in the vicinity of Cell 5E by 0.66 acres, subject to the terms of this letter. In accordance with 329 IAC 10-13-4, solid waste facility permit FP 91-04, as amended by this minor permit modification, does not authorize: any injury to any person or private property; the invasion of other private rights; the infringement of federal, state, or local laws or regulations; nor preempt any duty to comply with other state or local requirements.

The solid waste facility referenced above is located at 8635 East State Road 16 and contains approximately 91.2 acres permitted for landfilling.

Pursuant to IC 4-21.5, a Petition for Review of this minor permit modification letter may be initiated by you, as applicant, or by an "aggrieved or adversely affected person." This decision becomes effective once all applicable time periods for petitioning for Stays of Effectiveness have expired, unless you are notified in writing by an Environmental Law Judge that the minor permit modification has been further stayed. As discussed in our enclosed Notice of Decision, if you wish to challenge this decision, you must file a Petition for Review with the Office of Environmental Adjudication within 18 days from the date that this letter was mailed, pursuant to IC 4-21.5-3-7.

If you have any questions or comments about your application or the permitting process, call (800) 451-6027, press 0 and ask for Kelly Hall or extension 3-0449, or call direct at (317) 233-0449.

Sincerely,

A handwritten signature in cursive script that reads "Jerome Rud".

PERMIT REQUIREMENTS

1. The base grades for the facility shall be constructed as shown on Figure 1 entitled "Permitted and Proposed SW Boundary and Base Grades" dated March 2008 and received by IDEM on August 21, 2008.
2. The final cover shall be constructed in accordance with the approved final grading plan, on Figure 3, entitled "Proposed SW boundary and Final Grades," dated March 2008, and received by IDEM on August 21, 2008.
3. Final closure cost is \$8,123,295.00.
4. Post-closure cost is \$8,250,503.00.
5. The permittee shall establish the funding for the revised closure and post-closure cost no later than thirty (30) days after receipt of the permit and shall furnish proof of the established funding to IDEM no later than forty-five (45) days after receipt of the permit.
